Aug 14, 2019 The lineup for Bethesda's Gamescon 2019 revealed that The Elder Scrolls V: Skyrim Special Edition will have both nude and visible mods on the disc. As of today, it is the only version on the PlayStation 4 and the Xbox One to come with an option for mods that feature nude bodies. Pause-able nudity in Skyrim: Special Edition was first revealed in a gameplay video that was released in the middle of last year (January 2018). Since Skyrim: Special Edition is the new version of the game, the development team chose to put it as the final version of the game instead of releasing it as an update. Aug 11, 2019 The beta version of Fallout 4: Creation Kit was released today, August 11, 2019. Thanks to the modding community's hard work, the Fallout 4 Creation Kit now includes support for Skyrim, Fallout 3, and Fallout: New Vegas. Fallout 4: Creation Kit now supports mods developed by other modders. Before today, Bethesda had no plans to support third-party mods. However, the beta version of the Fallout 4 Creation Kit only includes support for the mods developed by official modders of Bethesda. Apr 4, 2019 A mod made by Josh "GoofyFox" Green for Fallout 4 called "Independence Day" lets you make Fallout 3 the way Fallout 4 was. It includes all of the modifications from the fourth Fallout game and your own mods. In addition to the modding community's hard work, Skyrim's own modding community continues to create mods that bring the game into a different dimension. Even though the nudity in Skyrim is already absent in the game's code, modders continue to push their efforts to make Skyrim the most nude game in the world. Feb 12, 2019 The ETA for the Skyrim: Legendary Edition, one of the world's bestselling games, has been revealed to be June 25.
