This is a fantasy action RPG where you explore a vast and mysterious world full of dangers. In this game, the elemental power “Elden Ring” controls the world. As a hero that wields the “Elden Ring,” you can change the world as you like. The story begins with a crystal that was transformed into the “Elden Ring.” This “Elden Ring” has various powers that enable heroes to overcome the hardships of the Lands Between. ABOUT INNOCENT CHARACTERS In the game, more than 1,500 beings, including humans and animals, will be encountered in the Lands Between. Many of them are “innocent characters” that you will meet during your journey. Innocence is an item that is used to transform them and allows you to use them as temporary allies. Characters that appear during the gameplay can be formed into the party, and alliance with “innocent characters” gives us a motivation for deciding which character to approach first. ABOUT NEWNESS OF ELDEN RING In addition to the systems implemented by previous games in the series, a variety of new systems, including the elements of the “Elden Ring,” “Fated Prophecy,” “Fate Travel” and “Elden Spirit,” have been added.

What's new:

The rubber-band-toy-on-the-stick-fortress game that looks its most familiar to a Tolkien fanatic is the inspiration for Kerbal Space Program, the creation of famed space engineer Goubilet Gifre. By combining an "ambitious sandbox" about launching as many rockets from your orbital module as you're able to the game, like these fleshy piston engines, will try to send you into space as soon as you blast off. The typical rocky start that comes with such experiences is true of the main storyline as well, but to launch, the game gives you a capital ship and an array of bases. It's a lot like the MMORPG-y process of popping into a new base and setting up and which is where most of the plot takes place. The story about growing up from your relative incompetence is told in a brief, charming text-based prologue that lets the game do the heavy lifting. >This video is presented for historical purposes only. It was shown at the 2011 Tokyo Game Show on September 20, 2011, with preview build numbers of 10.22.00 and 0.11.015. The information presented shows how the features were at that point in development, long before the release of the current version.

Due to popular demand, the 2011 Tokyo Game Show features a programming room for PlayStation Mobile, with games that can be used over Ad-Hoc or played locally. At the hour of the broadcast, they will select one game to be shown for this year's program.

"I came up with the concept that someone was slowly dying from boredom," he said, "and that the only way to save their life would be for them to be given the opportunity to play through their favorite game! So it was a simple concept and it requires the player's interaction."

The band and their device has been featured in Sony US press conference and has been acquired for an upcoming issue of PlayStation LifeStyle magazine. The band will also be featured in the next issue of Official PlayStation magazine (this issue will go on sale on October 19 in US, Canada and Australia).

Enjoy! ===== In the ELDEN RING online game, you have the mission to free The Lands Between from the clutches of the Dark Lord and ultimately become a true Elden Lord. ===== Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. The setting is a fantasy world that has been fragmented into five lands. You are not an ordinary person. Your choice of weapons, armor, and magic items affects your character's appearance, strength, and skills. The object is to travel to five different worlds to collect artifacts called the Elden Ring. As you collect and use the Elden Ring, your character grows in strength, and eventually you'll become an Elden Lord. In The ELDEN RING, your chosen character's power and character is linked to the items you use. Thus, the only character who can be used in every part of The Lands Between is an 'Elden Lord.' To become an Elden Lord, you will need to form a powerful party and slay all the monsters blocking your way. We want your journey to be exciting! As you travel through The Lands Between, you'll meet a variety of monsters and mysterious creatures in a non-linear adventure. At the same time, you'll form and develop a party with your companions.
