Publishment: A: This should help: When you try to run your project it will tell you that it cannot find a low-level SDK folder. If you change your Java Platform to one that is older, you can change the folder and it will work. This is because the Android Framework you use in Android Studio isn't the same as the one used in the AndroidManifest.xml files to create your application's design. This is because Android Studio uses the NDK and the built-in tools to make the toolchain that makes these types of applications possible, and the low-level tools are outside of the Android Platform. So, if you had a lower-level SDK folder (I don't know what it's called in the version you're on) called sdk\platform-all, you would make the Java Platform as in: C:\Program Files (x86)\Android\androidstudio\sdk\platforms\android-27\platform-tools or C:\Program Files (x86)\Android\androidstudio\sdk\platforms\android-21\platform-tools and that should fix your error. Again, I don't know what the low-level SDK folder is called in the version you're on, but this will help you know if you need to update the Java Platform or the toolchain. Lower Cape Breton Regional Municipality Lower Cape Breton Regional Municipality is a regional governing body in Cape Breton Island, Nova Scotia, Canada. It is divided into three lower level municipal districts. Communities Cape Breton Regional Municipality has 39 municipalities and 22 communities.

Municipalities Communities Incorporated municipalities Cape North Bras d'Or Glace Bay Inverness County Ixworth Iron River Labrador (partly, southern half) New Waterford Northside-West Coast Port Saunders Port Hood Port Hood Harbour Port Morien St. Peters The Narrows White Point Yarmouth Unincorporated municipalities Bay d'Espoir Bell Island Black River Blomidon Bras d'Espoir West Bras d'Or East Cape St. Mary's Cape St. Mary's South Cape 6d1f23a050
