Free Download ((HOT)) Yaseen Shareef Full Pdf Quran

**Download** 

now, if someone is saved from drowning or something of the kind, who does not remember at that time that he was having a talk with a friend and made it to the shore, then it must surely be the person who remembers that he was saved from drowning, and who reveals in his heart that it was due to the blessings of allah (swt). and, if someone had drowned in the sea, who does not remember that he was rescued from the sea, then it must surely be the person who remembers it, and who reveals in his heart that it was due to the blessings of allah (swt). and if someone had drowned and never remembered it, then that person would definitely feel ashamed of himself. there is no connection of death with dhikr and dhikr is not a time for death (surah ar-ra'd, 35: 45). it is the resurrection that is addressed in surah ar-ra'd verse (35: 45). it is not applicable in the case of death. sharjeel mansur ali is an indian software developer who has developed this guran software for free and he has shared this guran app for free and for downloading since 2013 and that is good thing. everyone who has smartphone or tablet is allowed to download this guran app for free. free downloads kamus guran for tablet or iphone/ipod touch. i hope the downloaders will be pleased to discover this great, easy to use, free quran book. the design is clean and provides the means to quickly navigate through the guran. the book is fully searchable and is divided into guasars and ayahs (verses). the user interface is easy to learn, but with more features to explore. the ornaments that they have introduced in the total package are beautiful and good enough for any kind of monitor.
